

Wolf School Parent Organization

Welcome Wolf Families:

The WSPO hopes you all had a great summer and are ready to kick off the 2016-2017 school year and make it a fun year for the students and families!!!

We have a lot of fun events planned for this year and as always we can't do it alone!! We appreciate any help you can give us . . . join an event committee to help with decorations, organizing, food, help out the day of the event or if you can't help us this way - a monetary donation is always welcome to make the event a HUGE success.

In order for the events to be successful (and we don't have "WSPO Burnout") we will have a minimum number of volunteers required for each event. If the minimum is not met the WSPO has the right to cancel an event.

Please see the event descriptions below for further information. You will be receiving information soon on how you can sign up for any of the events you would like to help with.
