Spotlight on Alumni

New Internship leads to new confidence

At The Wolf School we always love to learn what our alumni are up to.

Recently, we were thrilled to hear about alumni Alex Tetreault's experience as an intern at the Cape Cod

Hospital Emergency Center! He's gaining hands-on skills in a healthcare setting, building connections and making friends. Alex graduated from The Wolf School in 2010 and is currently attending Riverview School. Read all about Alex and his internship [here!](#) Great work Alex!

Some mornings just getting out the door can make us feel hurried and stressed. But if you're a parent or teacher of a child with complex learning issues, there's one resolution you can make that won't take a lot of time, and could have a big impact.
