## Spotlight on Growing Our Vision

### *Enjoying a new classroom you helped build!*

The ribbon has been cut and Room 6 is settling nicely into their new classroom! With construction of the classroom completed in December, students and staff were able to move into their new space once they returned from Winter Break. On the first morning back, Room 6 students and families celebrated with a ribbon cutting ceremony, complete with sparkling cider and muffins!

Room 6 students cut the ribbon on their new classroom!

The new faculty space and offices will be ready soon, and in February, at our school's Founders' Day, we will have an official ribbon cutting ceremony to celebrate the completion of the building project.

**You** made all of this possible and we are so grateful! Call or [email](#) Marie Esposito, Director of Institutional Advancement, at 401-432-9940 x134 to set up a visit and see how you helped Grow our Vision!

## Spotlight on Sports!

### ***Wolf Basketball Team is a Slam Dunk!***

It's not all about 3 point shots and the final score. At The Wolf School, our basketball team is learning these invaluable skills along with basketball basics.

- Confidence
- Sportsmanship
- Teamwork
- Listening
- Following directions
- Responsibility
- and giving it your all!

## Spotlight on Alumni

Recent Alumni join current 8th Graders

One of our beloved traditions at The Wolf School is our Recent Alumni Pizza Party. Current 8th Grade students are joined by the graduating class of the past two years, to catch up, connect, and enjoy some pizza! It provides our 8th Grade students a great opportunity to hear from former Wolf students currently in high school as they themselves begin this next part of their educational journey.

Thanks to everyone who joined us! We're so proud of our graduates and all they've accomplished at their new schools!
