Camp Confidence!

Mixing summer fun with the Immersion Model©!

What's a perfect summer camp for Complex Learners? Camp Confidence: A Wolf School Summer program! Camp Confidence mixes a traditional summer camp with our innovative **Immersion Model©**. Our teams of Special Education certified teachers, teaching assistants, occupational therapists, and speech pathologists work together to lead the program. This gives our students the chance to enjoy a traditional summer camp experience while also continuing to develop the academic and social skills they worked on throughout the year. Want to see what our campers have been up to? Click [Week 1](#) and [Week 2](#) for photos!

Exploring the Great Outdoors in Camp Confidence!

All Thanks to Hasbro, Inc.!

The Wolf School and Hasbro's Gift of Play!

What adds even more fun to summer camp while helping students develop important coordination and social skills? Toys and games from Hasbro, Inc.! Thanks to Hasbro's Gift of Play Program, The Wolf School received an incredibly generous donation of over 60 Hasbro toys and games. Camp Confidence staff and students have loved the ability to put our own Wolf spin on some classic games. One of our favorite examples is multiplication Twister! Simply add numbers to your spin board and in no time, you'll be doing a multiplication problem before you put your right foot on green!

Gearing up for a great school year!

How to prepare for a successful year!

Don't worry, summer isn't over yet! But with August almost here, time seems to be flying by. Are you already wondering how to make this next school year the best one yet? To help the transition back to school, we're bringing back one of our favorite blog posts - [**3 Things Teachers Want To Know About Your Complex Learner!**](#) Check it out for great tips on what you can do to make this school year successful and fun.
