Closing the book on another year!

Hats off to our graduates!

"Before I came to The Wolf School..." This is how most of the speeches began on graduation night from our new batch of graduates. Students explained how they struggled to keep up academically, lost confidence in their own ability to learn, and simply felt misunderstood. But thanks to our amazing staff and dedicated supporters, that all changed during their time at The Wolf School. As the Class of 2017 demonstrated, The Wolf School provided them an opportunity to feel at home, make friends, rediscover their confidence and, most importantly, uncover their love of learning. And now, they're ready to go forward and tackle high school!

We are so proud of all of our graduates and can't wait to see what the future holds for each of them! Congratulations to the Class of 2017!

Filling Our Shelves!

The Wolf School & Books on the Square

Earlier this year, The Wolf School was thrilled to have our proposal to the *James Patterson and Scholastic Reading Club Grant* selected as one of the winning recipients! With the grant money, and the help of Wolf School library coordinator Maureen Quinn, we were able to support a local independent bookstore while expanding our students' reading choices. Maureen visited [Books on the Square](#) in Providence to build up our library collection with the help of Robin Gross, the store's Children and Young Adult book buyer. From picture books to new chapter series, a vast array of new books will be available for check out at Wolf when students return in September!

Sharing Your Story!

Alumni Cookout 2017!

Finding other students and families that understand you and your struggle is one of the most important things families discover when they come to The Wolf School. Even after graduating, we stay connected with our alumni community because we see firsthand the benefit these bonds bring. Alumni students and families gathered this June for a fun-filled reunion and BBQ. We love offering former students and families the opportunity to reconnect with old friends and share memories of their time at Wolf!

We'll also be creating a Wolf School Alumni Facebook Group. If you're an alumni student be sure to [send us](#) your email address so we can invite you to join!

We couldn't have done it without you!

Thank You!

As another school year ends, The Wolf School would like to send our most sincere thanks to our donors, volunteers, families, supporters, committee members, staff, and Board Members. It is your dedication to The Wolf School that allows us to provide a safe environment for Complex Learners to learn and thrive. Enjoy your summer and we'll see you next year!
