2017-2018**

Student Initial	Parent / Guardian Initial	<p align="center">Technology Rules <i>All students are responsible for complying with all rules concerning technology use.</i></p>
Rules for using Wolf School technology devices (ie: computer desktops, laptops, Mimeos, MP3 players, iPads, and/or other technology equipment):		
		I will handle with care and will carry the device with two hands. I will slowly and carefully put down the device.
		I will not have food and drink while using technology devices.
		I will not give out anything personal (passwords, name, address, phone number, etc.) about myself or others.
		I will not download or print anything without permission from a Wolf School staff member.
		I will not write, send or display material that is unkind or unsafe.
		I will not use any social media sites while in school.
		I understand that my computer use and online student account has been established for school and educational purposes only.
Rules for students who have personal devices (ie: cell phones, tablets, MP3 players, iPads, iPods, smart devices, and/or other technology equipment):		
		All personal devices need to be powered off and should be given to the teacher upon arrival in the morning. Personal devices are not allowed for use during the school day (7:45-4:00).
		I will turn off my personal device(s) by 9pm, and follow my family's home plan for technology use.

Consequences for Violations of these Rules:

1st: Parents notified and meeting held with an administrator and student.
Consequences at the discretion of family and administration.

2nd: Student and parents must meet with an administrator to determine an acceptable plan moving forward based on the nature of the violation.

I agree to follow these technology rules.
