

**Speech and Language Therapist Position – Part-Time
The Wolf School
East Providence, Rhode Island**

Available 8/29/18

The Wolf School, an innovative independent lower and middle school for children with multiple learning challenges, is currently recruiting a Speech and Language therapist.

Come and join our talented and dedicated team. We provide on site clinical supervision.

History of the Wolf School

The Wolf School, a small independent day school in East Providence, Rhode Island, was founded in 1999 to provide a unique educational environment for children with multiple learning differences. The goal was to create a school that would provide children with opportunity to reach their full academic and social potential. The founding members of the Board, including educators, clinical specialists and a family, created a model that emphasizes the development of core grade level skills taught through a therapeutically guided curriculum. As a result, our students make significant gains academically and socially. Today, the Wolf School educates 60 students in grades K-8 from Rhode Island, Massachusetts and Connecticut.
