

Parent Questionnaire

Getting Involved: WSPO & Beyond

The Advancement Team is committed to supporting the Wolf School Parent Organization (WSPO) and other community building activities and events for our families. Parent volunteers make a huge difference in the lives of Wolf students, creating a school environment that is fun, inclusive, and rewarding. There are many ways to be involved and we strongly encourage each parent to contribute in some way during the year. **This questionnaire is designed to help us understand how you can help with your interests, ideas and time.**

Please take a moment to answer the following questions and return with your school forms.

EACH PARENT OR GUARDIAN should fill out his/her own form.

Thank you!

The Wolf School has an annual fundraiser called Discover the Difference. It is a fantastic way to celebrate our amazing school and raise significant funds to support financial aid and school programs. The event committee is a critical part of making this gala happen. They have a lot of fun and use their creativity and energy to design a fabulous night out for all of our current and alumni families, staff and supporters.
