

CAMP CONFIDENCE:

A WOLF SCHOOL SUMMER PROGRAM

Move and Explore!

Learn and grow with friends!

Discover, Create, and Build!

Immerse yourself
in fun!

July 9th - August 2nd

At Camp Confidence, we're combining a traditional summer camp approach with The Wolf School's Immersion Model® classroom. Students will maintain and enhance academic and social skills while having fun with their friends!

Through theme-based, high-interest projects, our four-week program will provide hands-on instruction to small groups. Led by an Immersion Model® team, students will work on:

- reading, writing, and math
- social skills
- sensory integration
- self-regulation
- fine and gross motor skills
- visual perceptual skills
- team building
- executive functioning strategies
- routine building

At Camp Confidence, your child will have the opportunity to:

- participate in academic lessons that integrate language, sensory, and social skills
- work on IEP/Learning Plan goals
- join in various art and outdoor activities that foster creativity and friendship
- take a community field trip where skills can be applied to real-life experiences

If you are interested in enrolling your child in Camp Confidence, please fill out the attached registration form and leave it for Meg Jackson Sutton in the Main Office.
