September 2018

Welcome Back! **Kicking off our 20th year at Wolf!**

While it's hard to believe summer is already over, we are so excited to have started the 2018-2019 school year at The Wolf School! This is a particularly exciting year for us as we celebrate The Wolf School turning 20 years old! This year will include plenty of fun events to celebrate The Wolf School and our community and we hope to see you at all of them. To kick off the year, we threw a special birthday party for The Wolf School! [Check out what our students and staff wish for The Wolf School!](#)

We couldn't have reached this milestone without your support. Thank you!
