World Changers!

Room 5 sets out to change the world

As Room 5 did research projects on influential people in history who changed the world, they asked themselves how they were going to make their mark on the world!

Watch their video to see how Room 5 students plan to become world changers!

Surviving Social Media

3 Tips to Handle Social Media and Your Complex Learner

With new popular apps popping up and a different hashtag or dangerous social media challenge appearing on the news regularly, it can be a scary world for parents. While digital citizenship and online safety are crucial for every child to know, it's

especially important for Complex Learners. Due to their learning difficulties, Complex Learners tend to act impulsively and don't always think about the consequences of their actions before a decision has been made. This can be a dangerous combination online. But there are ways you can help.

Nutrition Strategies to Improve Behavior, Mood and Learning

May 2, 2019
5:30 p.m. - 7:30 p.m.
The Wolf School

About the Speaker:

Author of the award winning book *Cure Your Child With Food: The Hidden Connection Between Nutrition and Childhood Ailments*, Kelly Dorfman is one of the world's foremost experts on using nutrition to improve brain function, mood, and energy. With a master's degree in nutrition/biology and a nutrition dietician license, Kelly is a go-to expert on nutrition for children. Skilled with the ability to offer practical solutions, Kelly has been featured on numerous television programs and frequently interviewed in the media.
